New Product Launch Campaign

Today, 2:30 PM

From: Marketing Team

<marketing@company.com>

To: team@company.com

Promotion

Hi Team,

Exciting news! We're launching our new product line next week and need your feedback on the marketing materials we've prepared.

The campaign includes:

- Email templates for customer outreach
- Social media content calendar
- Landing page designs
- Press release draft

Please review the attached materials and provide your feedback by Friday. We want to ensure everything is perfect before the launch.
